| <p>To vote, darken the oval to the LEFT of your choice, like this . To cast a write-in vote, darken the oval to the LEFT of the blank space provided and write the candidate's name in that space. For specific information, refer to the card of instruction posted in the voting booth. If you tear, spoil, deface or erroneously mark this ballot, return it to the election judge and obtain another.</p> <p>Para votar, oscurezca de esta manera  el óvalo que esta al lado IZQUIERDO de su elección. Para emitir un voto por escrito, oscurezca el óvalo que esta al lado IZQUIERDO del espacio en blanco y escriba el nombre del candidato en ese espacio. Para información específica, recurra a la tarjeta de instrucciones que está en la casilla de votación. Si usted rompe, daña, desfigura o erróneamente marca la boleta, regrésela al juez electoral y obtenga otra.</p> | <div>CONGRESSIONAL<br/>CONGRESIONAL</div> <div><p>FOR DELEGATE TO THE NATIONAL NOMINATING CONVENTION</p><p>11TH CONGRESSIONAL DISTRICT</p><p>PARA DELEGADO A LA CONVENCIÓN NACIONAL DE NOMINACIÓN</p><p>11ER. | <div>UNDER-VOTE NOTIFICATION</div> <p>Before casting your ballot, confirm that all of the candidates you intend to vote for in the state-wide constitutional offices are properly recorded. If an unintentional under-vote (failure to vote) is discovered, you may correct it before casting your ballot. Should you wish, you may cast your ballot with under-votes.</p> <div>NOTIFICACIÓN DE VOTO DE MENOS</div> <p>Antes de emitir su boleta, confirme que todos los candidatos por los cuales usted tiene la intención de votar para los cargos constitucionales estatales estén correctamente registrados. Si se descubre un voto de menos involuntario (error al votar), usted puede corregirlo antes de emitir su boleta. Si usted así lo desea, puede emitir su boleta con votos de menos.</p>                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
